

Jubilee Home, located in the Historic Hayti neighborhood in Durham, NC, is a supportive housing community that allows individuals the opportunity to show up authentically, step into bravery, and open the door for healing and transformation. We take a whole person approach to support individuals as they return from incarceration and seek sustainable independence. Through 1-on-1 peer-led case management, weekly wellness programming, and a therapeutic physical environment, Jubilee Home seeks to be a refuge for those impacted by the criminal legal system.
